I think it is obvious the anomaly is not the creator. Just an elite rock star for the elite.

Quoting: **Anonymous Coward 86904440**

Who is this anom you all keep talking about anyways?

There's only one true creator God and those so called elites  
only worship a wannabe god who pales in comparison to

the one true God.

If the preachers pastor's or priest's  
 Pick up on what's being freely given by the anomaly  
 Or the anomaly feels or hears a word  
 Then goes mainstream  
 Many of the unrevealed mysteries  
 Instantly get challenged or even broken wide open  
 Either way God wins

To be honest I actually love chicken alla sorrentino much more with a glass of tawny port on the side.

Boneless breaded chicken breast layered with sliced breaded eggplant, melted mozzarella cheese, with a mushroom marsala wine butter sauce.

You can feel it in the air

Birds are ready to sing a chorus with it

The weather bends and surges for it, Angels, demons, interdimensional beings peering

on the sidelines, waiting for the ripe time

The world is constructed, partly by our inner reflection of it and what we permit each other to be, and there's so much more we cannot even comprehend, what could be in store for us

But all in God's time
